

Pin Greeting Cards by Beverly and Stephanie Kindred

Supplies:

8 1/2" by 5 1/2" Card Stock

(You can buy this precut and folded - we use "Paper Reflections" brand.)

Crafting Design Paper

(Use two different patterns; cut one 3 3/4" x 5" and the other 2 3/4" x 4".)

Zig-2 Way Glue

Micron 005 Pen

Completed Pin from Packet

Instructions:

Fold card stock in half to create your card. Prepare edges of Crafting Design Paper by tearing or cutting.

Using Micron Pen, decorate edges with stitches or wavy lines.

Glue large piece of Crafting Design Paper to card face.

Connect your finished Pin to smaller Crafting Design Paper and glue to center of card without getting glue on pin backing.

If you feel that your 1/4" wood pin is too heavy for your card, you can try cutting it out of 1/8" wood.
